## What we're about

Are you single? Do you like to have fun with other singles?

Do you like to volunteer and contribute to your community?

WHY NOT DO BOTH AT THE SAME TIME

We will gather at assorted events around town, existing events that need additional "bodies" to help make their event a success. We will help them with their event, and then we will reward ourselves with something fun and social immediately following. Often, these local organizations just need people to accept tickets, help with parking, event set-up/break-down, handing out flyers, or putting wristbands on attendees.

Please share the following link to organizers who would like SVLV.org to help with their event: <http://www.bit.ly/singlevolunteers>

WE ARE ABOUT HELPING, NETWORKING, SOCIALIZING, AND HAVING FUN!

I participated in a similar group in South Florida years ago, and I made friends that I am still in touch with even today! And I had a lot of fun, and felt great about contributing my time to many worthwhile charities and organizations! IT WAS AWESOME! So join this MeetUp, and also if you have ideas for events where we can contribute, please contact me directly at 808.740.1177 (Thanks...Zero)
